

Why choose the Philippines?

Unique benefits of working in the Philippines:

ECLARO
the Right People are the Answer™

LOW COSTS

By reallocating some of your work to the Philippines, you will be able to save a significant amount in labor costs. Companies typically see a savings of 50-80% compared to US prices.

TOP TALENT

With over 70,000 college graduates with IT majors each year, and access to professionals from multiple Fortune 500 companies, the Philippines offers a large pool of highly qualified candidates.

ENGLISH SPEAKING

The Philippines is the third largest English speaking country in the world. The Global Education Corporation ranked the Philippines #1 in Business English Proficiency.
